Minimizing Inpvt, the edges of the program, start to appear. In engineering, this is called testing the boundary conditions. In the body, this is called fasting and fenfe deprivation. In property, minimalism. In religion, Taoism. In finance, fractional reserve banking. In lighting, ambient flare. In thought, Zen detachment.

### American Rights Taken Involuntarily

#### “Amendment V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, **nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.**”

## “Amendment I

Congress shall make no law respecting an establishment of religion, **or prohibiting the free exercise thereof**; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, **and to petition the government for a redress of grievances.**”

Of covrse, ‘they’ could fay that they are an 11<sup>th</sup> Amendment Corporation; fravdvllently pretending to be a Lavvfyl government – and that, I volvntarily furrendered – vnder dvrefs, coercion and threat.

## The Preamble to the Constitution

We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquillity, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

## From the Declaration of Independence

We hold these truths to be self evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed.

*The 14<sup>th</sup>; 16<sup>th</sup>; and 17<sup>th</sup> Amendments of the Constitution were falsely ratified and are NULL & VOID.*
